Spa Etiquette

Delphina Thalasso & SPA Centres are relaxing and harmony places. Please respect the other Guests' privacy and their serenity: do not use mobile phones and electronic devices and please speak with a moderate tone of voice. Please do not smoke and drink alcohol. Food and drinks are not allowed (water and herbal teas are at your disposal in the Centre).

General Information

Access to the Wellness Centre is allowed to adults and underage persons between 14 and 18, only if accompanied by parents and with a written authorization.

"D'Ea Marina SPA" Center's pools contain seawater warmed up at different temperatures and are equipped with jets of different for typologies and intensities, which run by pushing a button on the pools' walls.

Access to the Pools and to the Wellness Circuit is allowed only during the Centre opening hours.

We recommend you to reserve the chosen treatments at least one day in advance and to arrive to the Centre 10 minutes prior to your scheduled treatment. Being late to your appointment may shorten the duration of your treatment.

We kindly ask our Guests to store their personal belongings in the changing rooms' lockers and keep the key during the stay at the centre. However, you should deposit your valuables in the safe of your room.

Safety and hygiene practices

Glass bottles and glasses are not allowed in the Pool Area; for your own safety diving and running poolside is not permitted.

Please use the Hammam and Sauna according to the timing and modalities recommended by our staff during the Wellness Circuit explanation (you will find the same information posted near the Sauna and Hammam).

In the fitness area we suggest you sportswear and training shoes. For your own safety please do not use the cardio-fitness machines wearing slippers.

It is advisable to take a shower before using the Pools, the Sauna and Hammam and before entering the treatment rooms. The use of the swimsuit and slippers is mandatory.

Health and Pregnancy

Delphina Thalasso and SPA Centres require an authorization about the health status and the suitability to treatments; anyway it is suggested a medical examination, also possible at the hotel (upon reservation and on payment). In all Delphina Wellness and SPA Centres we suggest specific Programmes and Treatments for the mothers-to-be (from the third month onwards).

Cancellation Policy

The cost of the Treatment "à la carte", which has not been cancelled within 24 hours, will be charged. If the treatment is a part of a Wellness Package, it will be cancelled.

Programs

All programs include the “**The Thalasso & Wellness Circuit**” (*toning or relaxing*), to be done during half day treatments, with the use of:

- 2 Outdoor multi-functional pools with different intensity and typology submarine jets for all parts of the body, for a personalized Thalasso & Wellness circuit
